

TOP 10 REASONS TO BUY RECYCLED

Thank you for recycling! Did you know that recycling doesn't end at the bin? When you buy products with recycled content, you're giving your recyclables a new life.

When you buy recycled products, you:

1. Reduce your carbon footprint

2. Save natural resources for future generations

3. Conserve landfill space

4. Preserve wildlife and their natural habitats

5. Create jobs

6. Support America's small businesses

7. Encourage companies to use more recycled plastics

8. Spread awareness of the importance of recycling

9. Serve as a good role model for your family and friends

10. Keep America clean and beautiful

Recycled is beautiful, helps the planet, and empowers our communities. After all, that's why you recycle in the first place!
